

# **International Organization**

## **Introduction:**

International Organization is a professional curriculum of IR. The course falls somewhere from three views: the relation between international relations and international law, inside and outside of international organization and combining theory with practice. On this basis, in addition to giving a general introduction to international organization, the course also provides some cases, for example, UN research, so that to analyze the role and prospects of international organization which is a very important actor more and more in contemporary world politics and economy.
